

Get Connected!

The BFG Plant Connection® is your connection for all of your plant material needs!

We are a full service plant broker with a commitment to customer service. We are dedicated to keeping our customers informed of the newest varieties, marketing programs, and other innovations to help their business grow. At the same time we realize that customer satisfaction begins with providing you with the product you want, when you want it, and at a fair price.

To accomplish these goals, we work with a network of over 90 suppliers, and have an expert staff waiting to answer your questions and help you determine what product is right for you. Thank you for trusting us with your business; we are committed to your success!
